

# Product & Price Indicator for Construction 2026

# About Us

We are a well established modern and professional toilet hire and service company with an impeccable track record of delivering high quality portable toilets, with high quality service standards

We have more than 30 years of combined management experience in the portable toilet industry, with an unrivalled focus on service levels and customer satisfaction

We have successfully partnered with customers on large projects that were outside our Operational Area – an example of this was the Majuba Rail Project and Power Lines across the Country. Talk to us about your needs.

Following is a price indicator for our products, we do however need to cost you requirements and do a proper quotation. Factors that can impact a quote are distance, amount of people on site, service frequency and type of units. The prices exclude Delivery, Vat and Services.

**Allow us to partner with you to make your next project a huge success!**

Top Rated Service

# VIP 2 Door Trailer Unit / Executive Flush

2 Door VIP Trailer Units

We rent out our VIP 2 Door Trailer Units for long-term use on Construction Sites. Price excludes minimum once a week service, delivery/collection cost and VAT

Polyjohn Executive Flush

Our executive flush comes fully equipped with wash hand basin. Price excludes minimum once a week service, delivery/collection cost and VAT

# Standard Flush / Non-Flush

Polyjohn Standard Flush

Our Standard Flush is our preferred unit for most construction sites. Price excludes minimum once a week service, delivery/collection cost and VAT

Polyjohn Non-Flush

Our Non-Flush Unit is ideal for high volume construction sites. Price excludes minimum once a week service, delivery/collection cost and VAT

# Budget Non-Flush / Urinals

Budget Fibreglass Non-Flush

Our budget fibreglass is perfect for a lower-budget construction site. Price excludes minimum once a week services, delivery/collection and VAT

4 Way Kross Urinals

Our 4 - way Urinals Units are very popular on high volume sites as it relieves pressure on Portable Units and handles the equivalent of up to 4 toilets. Price excludes minimum once a week services, delivery/collection and VAT

# Rinse Stations / Containers

## Rinse Stations

6 Users at a time! Ideal for high capacity construction sites. Just attach to your closest water supply! Price excludes delivery/collection and VAT

## Topshell Containers

Lemon Trees and Topshell Containers are in a partnership to supply a 1 stop – site solution. From a store or a basic office unit to a fully insulated office with aircon. Please allow us to quote on your site requirements.

# Other products and Tank Pumping

Please enquire about our other products: – Guard Huts, Showers and Konnecta Loos.

## Tank Pumping

Let us quote you on emptying your Septic/Conservancy tank, we have various sized vehicles and can handle high volume pumping

# Testimonials

Mike

"We have had in the last five years, a very good relationship with Lemon Trees and have received exceptional service for the following included but not limited. Portable Toilets, Urinals and VIP trailers, Hire and Services as well as Septic Tank Pumping and Disposal"

Stephen

"I can even eat my lunch box in a Lemon Trees Toilet 100%. Keep up the good work with your services and good smelling of the toilets.

Basie

"Lemon Trees has consistently met and exceeded our expectations. Their services are always delivered on schedule, without disruption. They understand our operational needs and adapt to them seamlessly, ensuring that each interaction runs smoothly. We have been thoroughly impressed with the commitment to excellence and reliability that Lemon Trees has demonstrated. (7 years of excellent service) I am confident in recommending their services to other companies in need of a dependable and professional service provider."

Lynton

"We are pleased to inform you of the successful completion of our project. Thank you for your support throughout the project and your continued patronage! Your services to our organization have been instrumental in the successful execution of this project"

Clevont

"Your service was excellent and I would definitely use your service again as well as recommend it"
