

Product & Price Indicator for Events 2026

About Us

We are a well established modern and professional toilet hire and service company with an impeccable track record of delivering high quality portable toilets, with high quality service standards

We have more than 30 years of combined management experience in the portable toilet industry, with an unrivalled focus on service levels and customer satisfaction

Following is a price indicator for our products, we do however need to cost your event and do a proper quotation. Factors that impact a quote are distance, amount of people, operating times and whether alcohol will be consumed. Our calculations are based on the PSAI events calculator. The prices exclude Delivery, Vat and Services.

Allow us to partner with you to make your next event a huge success!

Testimonials

Taryn

"Everything went wonderful, thank you!!! Your janitor was amazing"

Nokulunga

"All went very well - no complaints at all. The janitors were also amazing, even my colleagues were saying they are efficient that after every user they go in and check to ensure all is in order for the next person"

Lungile

"Event was a great success thank you very much. You guys delivered again with great facilities and service"

Tami

"Thank you so much, everything was great. The janitor was excellent, friendly and polite. Toilets were spotless throughout the function! Would definitely recommend your Company to anyone!"

Rene

"Like always your service was outstanding. He arrived on time and setup went fast. Your janitor was friendly towards all and a huge plus from me personally. Thank you so much - again - for always being there for our events!"

Hansie

"Thanks all went well. The service we received was excellent, people at the event also said they loved the idea and was happy using it. Your janitor did an excellent job, saw him checking after every person using it. My rating for him is excellent and above expectation. I will refer you to anyone else if the need arises, we thank you for an excellent service!"
