We are all about the Environment

Better worksites
Better weekends
Better world

- ◆ We have a comprehensive Health and Safety Plan and ensure that environmental policies and practices are adhered to

- ◆ Although there are no standards that govern our industry locally, we comply with International Standards and are members of the Portable Sanitation Association International based in USA

- ◆ We have moved away from using harsh chemicals traditionally associated with our industry, and only use formaldehyde-free, non-carcinogenic, biodegradable and environment friendly products

We are all about Transformation

Our Shareholding consists of the following:

- ◆ 49% - Management
- ◆ 51% - BEE - Black Woman Owned

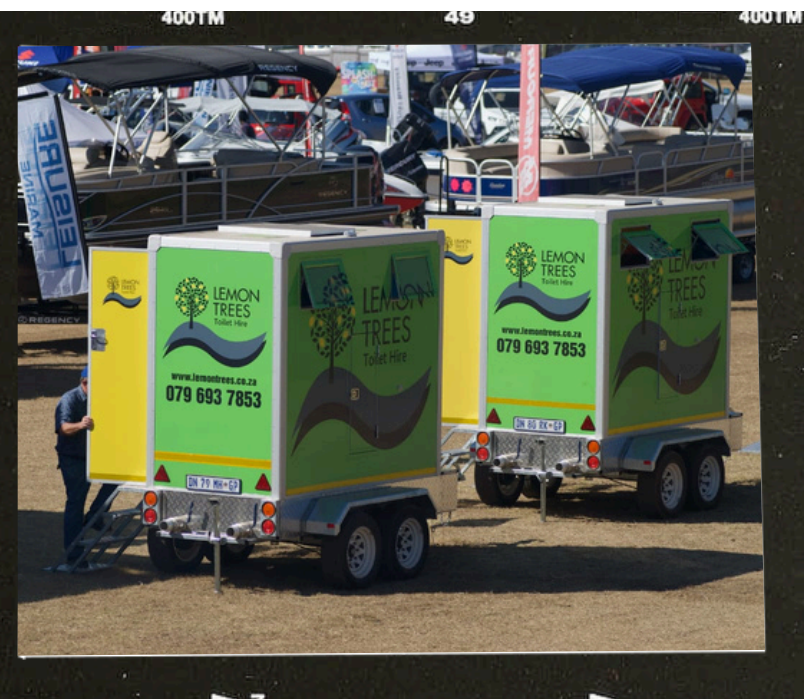

BEE STATUS - LEVEL TWO
BLACK WOMAN OWNED
